NOTE: The referenced report and presentation documents for each discussion may be viewed at orem.org/meetings under “City Council Presentations”

DISCUSSION – Surveying the Public

Mr. Downs introduced Kevin Lyons from FlashVote, and stated the city has reached out to the company, being interested in contracting with them to use their method of quick-turnaround surveying.

Mr. Lyons introduced himself and gave the council a brief description of how FlashVote works. He stated they first reach out to as many residents as possible, whether this be by mail, email, text, etc. and build a userbase by asking them to sign up for their platform. Once signed up,

DRAFT

1 residents can regularly go onto their account and answer whatever surveys are currently
2 available. Mr. Lyons continued to state public input sentiment matches whole community
3 sentiment only around 5% of the time. And 70% of the time, public input sentiment is the
4 opposite of the whole community sentiment. He stated there is always a lot less people speaking
5 out and influencing the government then there are residents in the city. Mr. Lyons expressed how
6 this can cause a few noisy people to make decisions for the whole community, and stated Flash
7 Vote can help to remedy this issue.

8
9 Mrs. Millett asked how FlashVote ensures only Orem residents are answering the surveys. Mr.
10 Lyons responded and stated during the sign-up process residents are asked to confirm their
11 addresses.

12
13 Mayor Young asked if there is an age bias that typically appears in these surveys. Mr. Lyons
14 stated because of the avenues they use to sample, there is usually not a significant age bias.

15
16 General discussion ensued regarding sample size, selection, and cost of these services.

17
18 Mayor Young asked Mr. Downs to send the council whatever marketing material and similar
19 documents the city has received from FlashVote.

20 21 22 DISCUSSION – City Communications

23
24 Mr. Wolfley presented different communication methods the city uses, statistics on them, and
25 how they use each of the platforms. For example, Orem.org has received almost 800,000 page
26 views in the last year, Orem’s social media accounts have over 30,000 combined followers, and
27 Orem sends a digital newsletter to over 18,000 email address each month.

28
29 Mr. Spencer asked if they could use Orem’s existing email list and other similar databases to
30 help build a survey response list as mentioned in the last item. Mr. Downs responded and stated
31 they could do so.

32
33 Mr. Wolfley then stated the Orem City Transparency Portal was live and went through its
34 functions with the council.

35
36 Mayor Young asked if there was a way to include audience applause in council meeting
37 YouTube videos, and stated the council would like viewers of past meetings to be able to feel
38 more accurately what it is was like to be present in the meeting.

DRAFT

Mr. Downs indicated the system is designed to cut out conflicting sound but would look into the issue and see what can be done.

DISCUSSION – Rental Licensing Program

Mr. Downs gave a recap on past decisions the council has made regarding this topic. He stated in December 2019, the Council voted to 1) Require those with a rental property to have a rental license, and 2) Require that utilities for all residential properties stay in the name of the property owner. Mr. Downs stated these were passed to improve neighborhoods and reduce the number of utility accounts going to collections each month. Mr. Downs continued presented the council with a list of neighborhoods in Orem and their goals for each of them. These goals mainly consisted of wanting to better enforce ordinances with absentee landlords. He then went over some unique situations concerning rental licensing, and how the city dealt with them.

Mr. Spencer stated how he didn't like the fact that you have to pay a sewer hookup fee for a home, and an attached accessory dwelling unit. This caused general discussion regarding differentiation between different kinds of accessory dwelling units and what kinds of fee they are charged.

Mayor Young expressed he would like to discuss these individual issues more in-depth at a later date.

AGENDA REVIEW & PREVIEW OF UPCOMING AGENDA ITEMS

The City Council reviewed the evening's agenda and discussion ensued regarding the scheduled items that would be considered.

INVOCATION / INSPIRATIONAL THOUGHT – Adam Robertson

PLEDGE OF ALLEGIANCE – Beckham Robertson

MAYOR’S REPORT/ITEMS REFERRED BY COUNCIL

PERSONAL APPEARANCES

Samuel Fisher stated he is a new resident of Orem and expressed his support for the city looking into splitting off from the Alpine School District. He stated he hopes the possible split could bring more fiscal transparency and local control.

Aaron Davidson stated he is going to have to go to trial because he was locked out of an Alpine School Board meeting and expressed it was because he had an opinion the school board didn’t want to hear. He then went on to state how he supports the council conducting a study to explore splitting from the Alpine School District.

Linda Mesmer stated she represents a group of over 120 people who signed a petition supporting the council in exploring a split from the Alpine School District.

Cissy Rasmussen expressed how some actions the Alpine School District make may look problematic, but when you dive further into them, they are actually responsible decisions that are helping residents and saving money. She then expressed the study the city is conducting will have the same results as past studies held on the topic. Which show while possible, splitting from the Alpine School District may not be fiscally responsible.

Britney Lindsey expressed that parents were locked out of Alpine District School Board meetings, and she will also be on trial regarding the matter. She stated how she felt the Alpine

DRAFT

1 School District cares more about receiving government funds than what is best for children. She
2 concluded by stating she supports Orem splitting off from the Alpine School District.

3
4 Julie Walker stated she has served as the elected Orem Council PTA President for 5 years and is
5 here today to represent PTA members in Orem. She stated PTA members support Orem
6 conducting a split feasibility study and asked that a PTA representative from each of the three
7 high schools in Orem be included on the committee who reviews the results of the study.

8
9 Jill Barrick expressed how she feels there are many problems with the Alpine School District and
10 stated she supports the council looking into splitting from the school district.

11
12 Breg Brough expressed he has grandchildren going through the Alpine School District and stated
13 he has been seeing and hearing things that worry him. He concluded by stating his supports the
14 council looking into splitting from the Alpine School District.

15
16 Shirl Finch stated that a hiking trail he regularly walks on just north of the Orem City Cemetery
17 has been blocked off by a fence. He expressed how he couldn't find out who put it up or where
18 they got the permissions. Mr. Finch stated when he looked into the issue, he heard the fence was
19 only going to be up seasonally. He concluded by saying the fence hasn't been removed, and the
20 area has only gotten worse and more unsightly. Mr. Finch concluded by asking the council to
21 look into it.

PUBLIC HEARING / ORDINANCE – Amending Section 22-5-3(A) and the Zoning Map of the City of Orem by changing the zoning of properties within the Hub District zones, The Arts District zones, the City Center District zones, the Canyon Crossing District zones, and the North Village District zones to the C1, C2, C3, R6, R6.5, R8, PD-

DRAFT

1 1, PD-30, PD-37, PD-39, and PD-40 zones. And, amending portions of Section 22-8-8
2 pertaining to zone development standards along the State Street corridor.

3
4 Mr. Bench stated at the request of the City Council, Development Services proposes to rezone all
5 of the properties in the State Street District zones back to the zones that applied prior to June 6,
6 2018, when the first State Street District was adopted. The proposed zones are mostly
7 commercial zones, but also include residential and planned development (PD) zones. The
8 proposed zoning maps, which are included as part of the staff report, show the zoning
9 classifications that the subject properties will go back to.

10 In addition to the zoning map changes, staff proposes several amendments to portions of Section
11 22-8-8 (Zone Development Standards) pertaining to standards along State Street. These changes
12 include:

- 13 1. **Height.** Limiting the maximum height in the C2 zone from 60 feet to 48 feet. The maximum
14 height for structures which are setback less than 100 feet from a residential zone would be 35
15 feet. Non-habitable structures (chimneys, ventilators, antennas, etc.) would be allowed to
16 extend a maximum of 10 feet above the maximum building height with the requirement that
17 such structures occupy no more than 30% of the uppermost floor area.
- 18 2. **Setbacks.** The existing requirement of an 8-foot separated sidewalk with a 15-foot planter
19 strip will remain as currently required. A setback of 15 feet from the back of sidewalk will
20 now be required. This 15 foot setback area must be landscaped. The maximum setback
21 requirement will be eliminated. A diagram illustrating the application of these requirements
22 is attached to the staff report.
- 23 3. **Minimum Building Height.** The minimum building height requirement will be eliminated.
- 24 4. **References to State Street Districts.** All references to the State Street Districts will be
25 eliminated.
- 26 5. **Other Miscellaneous Requirements.** The proposed amendments eliminate certain other
27 requirements in the State Street Corridor including building access requirements, spaces open
28 to the public, and the small building addition exception.

29 He concluded his presentation by stating the Planning Commission has recommended this
30 rezone.

31
32 Mrs. Millett asked Mr. bench if he felt the 8-foot-wide sidewalks would be enough for both
33 cyclists and pedestrians. Mr. Bench responded and stated he felt it was adequate.

34
35 Mayor Young opened the public hearing at 6:46 pm.

36
37 Scott Swain asked the Council what their goals are with this change. Mayor Young responded
38 and expressed how their focus is to keep Orem 'Family City USA' and stated this change is in
39 line with that mentality. Mr. Swain responded and expressed how he supports this change and
40 stated he does not want Orem to become a big city.

DRAFT

1 Alan Crudescamp stated he has a background in real estate and is 100% in support of changing
2 the master plan. He concluded by stating how he feels there is no way Orem can put 20 to 30
3 thousand more residents along the State Street Corridor.

4
5 Cissy Rasmussen stated only around 5% of Orem residents live in apartments. She expressed
6 how and there are many different kinds of families, and feels this change could limit some from
7 living in Orem. Ms. Rasmussen then asked where they city is going to put apartments in Orem if
8 they are not going to be put on State Street. Mayor Young asked Mrs. Rasmussen how many
9 Orem residents live in rentals. Mrs. Rasmussen responded that around 40% live in rentals, but
10 only 5% live in apartments.

11
12 Andrew Wilding stated he has recently gotten more involved in local politics and expressed
13 thanks to the council for working to adjust the State Street Master Plan. He then stated he would
14 like Orem to remain family focused and expressed his support for looking to splitting off from
15 the Alpine School District.

16
17 John Barrick expressed how he appreciates the council redoing the State Street Master Plan and
18 stated apartments are not synonymous with affordable housing.

19
20 Ashton Jessup expressed how he is trying to develop affordable townhomes, and he feels this
21 change could hurt him because there is no differentiation between high density and
22 developments such as town homes. He followed by asking what his course of action should be.
23 Mr. Bench responded and stated there was nothing he could do at the moment, but it is
24 something the council could look at in the future.

25
26 Stephen Kleinline stated he is opposed to the State Street Master Plan and expressed his support
27 for the proposed changes. He stated he would like to see State Street go back to what it was, and
28 move forward from there with a resident centered approach. Mr. Kleinline concluded by
29 expressing how developers and real estate investors are taking over housing single families could
30 be buying.

31
32 Brian Hideman expressed his support for the rezoning of State Street. He stated that though this
33 doesn't solve all the problems they might be experiencing, it can help the city approach them
34 better.

35
36 Kathy Ambrose stated the master plan was supposed to help Orem grow fairly. She then
37 expressed how she feels developers are buying up neighborhoods and changing the tone of
38 communities. She concluded by stating that Orem needs more affordable
39 housing.

DRAFT

1 Dale Cutler stated he owns a business that has been operating on State Street for over 40 years.
2 He then expressed how he feels past Orem officials were not moving in the right direction, and
3 he almost moved out of Orem because he felt they were not supporting businesses on State Street
4 enough. He concluded by stating how he hopes this will change, and he supports the changing of
5 the State Street Master Plan.

6
7 Mr. Christensen asked if this rezoning would affect the possibility of hosting a drive through in
8 the rezoned areas. Mr. Bench responded that it would not.

9
10 Dan LeBaron stated he likes living in Orem because of its unique geographic location and he
11 hopes the new Council and Mayor can make decisions that bring back family values in the Orem
12 City which will in turn attract like-minded people to move here.

13
14 Scott Dunaway expressed his support for the proposed rezoning. He stated how he feels it is a
15 reset which will help the city move forward in a more responsible direction. Mr. Dunaway
16 expressed how problems such as water usage and public transit need to be reviewed.

17
18 Mayor Young closed the public hearing at 7:20 pm and brought the item back to the council for
19 further discussion.

20
21 Mr. Lambson stated when he ran for City Council two years ago, he was astonished by the
22 amount of people concerned about high-density development in Orem. He then expressed his
23 thanks to the residents of Orem for expressing their opinions on this topic.

24
25 Mr. Peterson expressed how he feels things such as single-family homes being bought to be torn
26 down and replaced with high-density housing should not be happening in Orem. He then told a
27 story about a high school friend who told him: "You could not pay me enough money to live in
28 Orem." his friend said this because of the traffic and other problems Orem has, and stated high-
29 density housing can exacerbate these. He concluded by expressing how the State Street Master
30 Plan does not just effect State Street, and is having negative effects on multiple areas of the city.

31
32 Mrs. Millett expressed her excitement for the changes and stated how this was the number one
33 issue the council needed to tackle and how these changes will improve and beautify Orem State
34 Street. She concluded by expressing how she feels these changes can also help current business
35 owners, encourage commercial development, and protect Orem neighborhoods.

36
37 Mr. Spencer stated the North Village District was the catalyst for these changes, leading to the
38 moratorium, which let the City Council and residents look at what they wanted, and what was
39 best for Orem. He concluded by expressing that Orem residents do not want high-density
40 housing on State Street, and he wishes to keep the integrity of Orem neighborhoods.

DRAFT

Mayor Young stated a big reason LaNae, Dave Spencer, and himself ran was to “Return Orem back to its citizens.” He went on to state how he believes Orem is at a tipping point in its future direction, and residents want Orem to remain ‘Family City USA’.

Dave Spencer moved by Ordinance to amend section 22-5-3(A) and the Zoning Map of the City of Orem by changing the zoning of properties within the Hub District zones, The Arts District zones, the City Center District zones, the Canyon Crossing District zones, and the North Village District zones to the C1, C2, C3, R6, R6.5, R8, PD-1, PD-30, PD-37, PD-39, and PD-40 zones. And, amending portions of Section 22-8-8 pertaining to zone development standards along the State Street corridor as shown in the presented zoning maps. **Terry Peterson seconded** the motion. Those voting aye: David A. Young, David Spencer, Jeff Lambson, Terry Peterson and LaNae Millet. The motion **passed**.

PUBLIC HEARING / ORDINANCE - Amending the Current Fiscal Year 2021-2022 Budget

Mr. Nelson stated the Fiscal Year 2021-2022 City of Orem budget has many adjustments that occur throughout the fiscal year. These adjustments include grants received from Federal, State, and other governmental or private entities or organizations; appropriating excess FY 2021 funds in order to expedite funding for public safety digital radio replacements in order to take advantage of current pricing; appropriating excess FY 2021 funds to purchase the necessary police vehicles and officer equipment and supplies needed for four additional police officers to be hired under a new COPS grant; and adding budget funds for the drug task force for funds received as a part of the sale of one of their vehicles. He concluded by inquiring if the council had any questions or concerns with these amendments

General discussion ensued regarding various costs, needs, and where particular grants were coming from.

Mayor Young opened the public hearing at 7:43 pm. Hearing no comments, he closed the public hearing and brought the item back to the council for further discussion.

Terry Peterson moved by Ordinance to amend the current fiscal year 2021-2022 budget. **Dave Spencer seconded** the motion. Those voting aye: David A. Young, David Spencer, Jeff Lambson, Terry Peterson and LaNae Millet. The motion **passed**.

RESOLUTION – Utah Lake Authority

DRAFT

Mr. Earl stated the Council has spoken in the past about the possibilities of doing a Resolution regarding HB 232, the bill which creates the Utah Lake Authority. He stated at the time of the original conversations, the city had large concerns about the bill. Since then, a substitute bill has been introduced that has remedied most of their concerns. Mr. Earl concluded by saying that if the council still wanted to do a resolution, they should identify and focus on the remaining issues they have with the bill.

Mr. Peterson stated he is not in favor of doing a resolution at this time.

Mayor Young expressed that when the bill first came out, they were not in favor, but now that it has been updated more, he supports the way it is moving. He concluded by stating he is in favor of improving the lake in an environmental aspect, but not necessarily in a developmental way.

Dave Spencer moved to continue this item. **Terry Peterson seconded** the motion. Those voting aye: David A. Young, David Spencer, Jeff Lambson, Terry Peterson and LaNae Millet. The motion **passed**.

COMMUNICATION ITEMS

No communication items at this time.

CITY MANAGER INFORMATION ITEMS

Mr. Davidson stated there are eight more days left in the Utah State Legislative Session, and updated the council on various bills the city is keeping track of.

ADJOURNMENT

Mayor Young moved to adjourn. **Dave Spencer Seconded** the motion. Those voting aye: David A. Young, David Spencer, Jeff Lambson, Terry Peterson and LaNae Millet. The motion **passed**.

Meeting adjourned at 7:57 PM.

What board or commission are you applying for?	Board of Adjustment
If a position on your preferred board or commission isn't available, would you like to be considered for openings on other boards or commissions?	Yes
Summarize why you wish to serve on a city commission and if there are areas of concern that you would like to see addressed by a city commission.	We have lived in Orem for 38 years, and have certainly made it our home. Since I am retired now, I would like to give back to this wonderful city through meaningful service.
Please tell us a little about yourself. Also include a summary of the special skills and qualifications you have acquired from employment, previous appointments, previous volunteer work, or through other activities.	We have raised our 4 children here. I am the retired City Administrator of Lindon (18 years) which, I feel, gives me a unique perspective on city operations. I served as the Orem Public Works Director (2 years) and in other positions within the city for 6 years.

Summarize why you wish to serve on a city commission and if there are areas of concern that you would like to see addressed by a city commission.	I'm very interested in promoting and maintaining the arts. As a teacher, I am aware of the huge effect arts involvement has on creating empathy. I hope to facilitate the addition\continuation of art depth and variety here in Orem.
Please tell us a little about yourself. Also include a summary of the special skills and qualifications you have acquired from employment, previous appointments, previous volunteer work, or through other activities.	I've lived here in Orem since 1990, during which time I've been in plays at the Hale theater, PTA president, and a county delegate. During that time I have also held season tickets to many arts organizations, including the Eccles Theatre, the Shakespeare Festival, and the Utah Symphony. I teach junior high English in Aline School District, which has allowed me to serve in many leadership positions such as curriculum leader and school community councils, where we made budget decisions about how to spend the trustlands monies entrusted to the schools.

If a position on your preferred board or commission isn't available, would you like to be considered for openings on other boards or commissions?	Yes
Summarize why you wish to serve on a city commission and if there are areas of concern that you would like to see addressed by a city commission.	Now that I am a home owner in Orem, I know my family will be longterm residents of this city. I feel it is important to get involved in the community in which we live. Orem is rapidly growing and if I want to say, I need to serve. I have a life long love of the arts. I have always enjoyed music, theater, and especially dance. I taught dance for over a decade in Orem. I see the value and quality of life the arts can bring to individuals and collectively in communities. I am excited to possibly join a city commission that makes decisions for art programs in our area.
Please tell us a little about yourself. Also include a summary of the special skills and qualifications you have acquired from employment, previous appointments, previous volunteer work, or through other activities.	I am a high school health teacher at Summit High, an alternative school in Orem. Summit serves at-risk students from diverse backgrounds. Our students have experienced neglect, abuse, addiction, poverty, and violence. Through my experience at this school, I have planned and executed dozens of school-wide activities and programs: prom, 5k runs, field trips, sport week, camping trips, etc. I have learned to be creative. I have learned to plan and execute large events. I can keep my organs on while seeing the small details. I have learned how to successfully work with anyone. Our school staff prides ourselves for our ability to deescalate any heated situation, find common ground with anyone, effectively communicate, and show persistent passion through it all. In conclusion, I believe my strongest character traits would include effective communication, social awareness, natural leadership, consistency, and a strong work ethic.

Summarize why you wish to serve on a city commission and if there are areas of concern that you would like to see addressed by a city commission.	I have lived in Orem for over 30 years and have observed that our city has done a great job on maintaining roads and infrastructure. We attract good businesses to our town and we always have plenty of water. Orem does a lot right. We need improvement on our over all feeling and aesthetics. I know we have a good master plan in place moving forward and I would love to serve on a committee to help implement the beautification of our city. I would love to see signage address. Business signage as well as people posting signs on lamp posts and telephone poles.
Please tell us a little about yourself. Also include a summary of the special skills and qualifications you have acquired from employment, previous appointments, previous volunteer work, or through other activities.	I'm a wife, mother and now grandmother. I am an advanced master gardener completing the course through Utah State Extension Service. I served on my local neighbor in action committee before they were dissolved. We worked on improving the entrance to our neighborhood with a sign and landscaping. I still to this day help maintain that area today. I would love to help beautify our city.

If a position on your preferred board or commission isn't available, would you like to be considered for openings on other boards or commissions?	Yes
Summarize why you wish to serve on a city commission and if there are areas of concern that you would like to see addressed by a city commission.	I love Orem. I grew up here and went to school here (Geneva Elementary, Orem Junior High, Timpanogos High School). I also benefited from the services the Orem Public Library provides my whole life, and am now raising kids who also benefit greatly from some of the same types of programs and services. I want to give back to the city and the library. I know it is important to have all types of voices on this commission. I know through my education and work experience I can bring a well reason and balanced voice to matters relating to library materials and programs.
Please tell us a little about yourself. Also include a summary of the special skills and qualifications you have acquired from employment, previous appointments, previous volunteer work, or through other activities.	I am an avid reader and learner. I gained much of this from the wealth and variety of books available through the Orem Library. I obtained a Bachelors degree from Brigham Young University, a JD from the University of Idaho College of Law, and a Master of Public Administration from the University of Utah. In my work with Salt Lake County I spent time working on the passage of legislation with the Utah State Legislature. This included many negotiation sessions with leaders from other organizations. It also included listening and working sessions with citizens, department heads and other stakeholders in order to answer questions and concerns. It also helped to build better relationships, and craft policies and procedures better suited to meet stakeholders needs and concerns. In my current position I do a fair bit of relationship building and collaboration with other nonprofit leaders, school administration personnel, and attorneys. This current and former experience would be a great resource in working with other commission members, city leaders, and the community in guiding the programming and materials of the library.

: Library Advisory Commission

If a position on your preferred board or commission isn't available, would you like to be considered for openings on other boards or commissions?: No

Summarize why you wish to serve on a city commission and if there are areas of concern that you would like to see addressed by a city commission.: My family has a long history of serving our community. My grandparents served on my home town's city council. My mother served on the Beautification Commission and as a school board member. When I was young I was on the local Youth City Council. I have also served on Orem's Beautification Commission. I may not be from Orem, originally, but I am now. I love it here and want to be able to help continue to make Orem the best city in the valley.

I am excited to finally see the Library Auditorium project begin!

Please tell us a little about yourself. Also include a summary of the special skills and qualifications you have acquired from employment, previous appointments, previous volunteer work, or through other activities.: I love the library! Our family's first trip to the OPL was before we even moved here.

I am currently a high school teacher at the alternative school in Nebo School District. I teach Social Studies. I am married and have a 12 year old daughter attending Canyon View Junior High School.

Before I became a teacher, I worked in libraries for about 13 years. My husband and I met as student workers at USU Library in Logan. I worked at the OPL in reference and circulation for a number of years. My husband is a librarian at UVU. I now volunteer at the OPL with their Pins and Needles program. I think libraries serve an important function in communities. I am so glad that I live in a community with an amazing library.

I have also served on the SLC Curesearch walk for Childhood Cancer, am currently a Girl Scout Troop Leader, and am a member of the Friends of the Orem Public Library.

I am an excellent listener and communicator who seeks to understand all viewpoints. I work toward consensus. I will also work hard to follow through with any commitments I sign up for. I am very reliable, driven, and focused.

What board or commission are you applying for?	Library Advisory Commission
If a position on your preferred board or commission isn't available, would you like to be considered for openings on other boards or commissions?	Yes
Summarize why you wish to serve on a city commission and if there are areas of concern that you would like to see addressed by a city commission.	I have always believed that citizens have a responsibility to be civically active when they can. Being a passive participant or observer will not aide in progress nor help those in charge understand how to best serve their constituency. I am at a point where I finally have some time and would love the opportunity to serve and give back to my community. I am passionate about providing adequate literary resources to the community and have a strong place in my heart for libraries and historical resources/preservation.
Please tell us a little about yourself. Also include a summary of the special skills and qualifications you have acquired from employment, previous appointments, previous volunteer work, or through other activities.	I grew up in Orem and Pleasant Grove. My parents were raised in Orem, so I have a sense of connection to the community. In fact, I live in my paternal grandparents' home and am raising my children here now. I was educated at UVU, the University of Utah, and Utah State. I hold Bachelors and Masters degrees in History, a teaching certification, and training in library science and archives. I interned in research with the LDS Church Archives/Joseph Smith Papers Project, the University of Utah and BYU archives in digital repository techniques, and worked as a Digitization Specialist for UVU Archives and an Assistant Librarian at Orem. I currently work in the business sector as a Senior Manager over Customer Success with doTERRA International where I oversee five teams who work to improve the business processes for the company. I have several years of religious volunteer experience with adults, youth, and children. I am also trained in art and music.

I am currently in my second term of service on the Orem Library Commission. It has been a rewarding experience, and I would like to finish out my second term of service.
Please tell us a little about yourself. Also include a summary of the special skills and qualifications you have acquired from employment, previous appointments, previous volunteer work, or through other activities.	I have loved libraries since I was a small child. During the summers while in college at BYU, I worked as a cataloguing clerk in the public library in my hometown (the William Alexander Percy Memorial Library in Greenville, Mississippi) and later worked there as an assistant children's librarian and later still as a reference librarian while I was finishing my dissertation for my Ph.D. in American history at the University of Chicago. I was a history professor at BYU for thirty years and am now retired. That career required a great familiarity with academic libraries. Further, over the course of my career I have researched in many university and state archives. The Orem library became a great source for mysteries and other light reading to balance my academic work. I understand the workings of libraries and strongly support their crucial mission in building a strong community.

If a position on your preferred board or commission isn't available, would you like to be considered for openings on other boards or commissions?	Yes
Summarize why you wish to serve on a city commission and if there are areas of concern that you would like to see addressed by a city commission.	Libraries are a crucial refuge for city members and other visitors, and I would love to support Orem's beautiful library. Serving on a commission is very manageable for me (due to the less frequent meetings) and very fulfilling for me since I LOVE, LOVE, LOVE dialogue and problem-solving. I have three very young children (ages 3 and under) who already love visiting the library, so I am highly invested in preserving the great resources and events offered by Orem's library as well as ensuring that the library continues to be a safe place.
Please tell us a little about yourself. Also include a summary of the special skills and qualifications you have acquired from employment, previous appointments, previous volunteer work, or through other activities.	As a child I have so many memories visiting my old neighborhood library back in Eugene, Oregon. As a teenager, I volunteered at the reference desk of the Josephine Community Library in Grants Pass, Oregon which was run almost completely by volunteers (after the city voted to stop funding its library). I witnessed the struggle of library operations that needed more support, and I tried to help so many visitors with a huge range of skills (finding the right books for research ranging to how to maneuver a computer mouse). I moved to Utah to attend BYU and left with a teaching license for Social Studies Composite, Math (level 3) and TESOL K-12. I taught math for a year which provided a plethora of problem-solving opportunities. I am now working full-time to raise our three little girls, but I have the time and enthusiasm to volunteer and provide support for the Orem library.
